GENERAL PURPOSE OF THE MISSIONS AMERICA DEPARTMENT

In the United States we are currently seeing an upward trend in our economy. The real estate market is doing better, the stock market is thriving at a record pace, and job production is at an all-time high. During such economic success let us not ignore the spiritual condition of our nation.

The latest statistics show that out of the 420,000 churches in America, including all Christian denominations, 94% of the churches have either plateaued or they're dying. In other words, about 395,000 churches are on life support and running on empty.

7000 churches close their doors every year - over 19 churches a day AND ONLY 3500 new churches are being planted annually among all denominations.

- In 1906 80% of Americans went to church
- In 1986 40% of Americans went to church.
- Today, less than 20% attend church regularly in North America.

Respectfully, America, the place many of us call HOME needs our focus and attention. We can either turn our eyes from these looming facts or embrace the spiritual possibilities. Some would say that this social mixture that we are seeing walk our streets in America right now is unreachable or unmovable, but we beg to differ.

We believe that we have tremendous opportunities to reach lost souls, expand our reach, and strengthen our local churches right now and in the years to come.

The Missions America Department of the Assemblies of The Lord Jesus Christ will continue to be dedicated to evangelizing the United States of America in the following areas:

- Reach the USA by establishing new churches, church plants, preaching points, and/or daughter works.
- Partner with all ALJC churches on continued growth resources and training for church leaders and ministers.
- Work with each District Missions America Director in meeting the needs for their respective district.
- Stretch our reach capacity into multicultural ministries as we want to reach every ethnicity and geographical location in America.
- Provide ministry tools to every man and woman in the prison system.
- Generate funds to aid every home missionary that joins the AAC Program.

It is our passion and hope to see all churches growing, reaching the lost, and sending forth workers into the Kingdom of God. The Missions America Department stands ready to work with all districts and churches as we want to be a resource for you to connect with.

It is a great honor for anyone to have the opportunity to serve their district, especially as the Missions America Director. With that said, there are some general expectations and guidelines to understand so that one can properly represent their district.

**General Expectations**

1. According to the ALJC Constitution, your term is 2 years, with the opportunity for re-election.

2. The District Missions America Director shall appoint two (2) or more members who, with himself/herself, can serve on the committee of District Missions America.

   This committee will work together to:
   a. Determine the need for establishing new works in their respective districts.
   b. Regulate the allocations of funds to the various projects throughout the district.

   c. Promote the raising of funds for Prisoners Friend, Church Growth, Hispanic Ministry, and Home Missionaries on the AAC Program.

   d. Cooperate, communicate, and attend all scheduled meetings.

   e. Align your district vision for MA with the District Superintendent in promoting Missions America in the district.

   f. To serve on the National Committee of Missions America, attend GMC meetings, and to promote the National vision in the district.

3. The District MA Director may at any time inspect the work of the Adopt-A-City Church within their district. He may also, with the concurrence of the District Superintendent, and Regional Director, recommend discontinuance of Adopt-A-City support (including faith promises) for that church.

4. The District MA Director shall work as a liaison between the Missions America Missionary and the pastors of the churches that support him by creating opportunities to highlight the new work, raise funds, and solicit support for services and events.

The work, communication, and representation of the District Missions America Director is extremely important. Every district needs to fill this position with someone who is ready and willing to work. We need an aggressive team that is committed and passionate for souls. After each election, each district needs to notify the National Missions America Director of their election or re-election in order to keep communication moving forward.

Welcome to the team!

**Matt Perdue**
ALJC Missions America Director
pastormattperdue@gmail.com
765.524.5397
The purpose of this division is to promote overall growth in every church of the ALJC.

Our mission is to provide training, concepts, information and resources that facilitate growth of each church.

We are available to visit the local church, church growth conferences and camp meetings. We can also arrange for online training. Areas of training & resources include:

• Organizing for Church Growth
• Home Bible Study Teacher Training
• Leadership
• Volunteers
• Developing Systems & Processes
• Developing eForms
• Marketing & Branding
• Guest Follow-up
• Hostesses & Ushers
• Altar Workers
• Outreach ideas

In addition, check out our Resource page at missionsamerica.aljc.org

Need help in any of these areas? Contact Art Schnitzer at artschnitzer@gmail.com.
Our Vision

The Vision of the ALJC Hispanic Ministry Department is that every district would support the Hispanic Ministries within their district. This is not limited to financial support only, but also with starting a Hispanic Ministry in every district of the ALJC.

This is our time, and our desire is to help every church reach its’ Hispanic community. If you have Hispanic works in your district, I would love to come and meet those people and Pastors. Let’s have Hispanic Ministries in every city in America; together, we can make that happen!

Resources for Spanish Ministry

Excellent resources for this ministry can be found at the Pentecostal Publishing House website at pentacostalpublishing.org

In addition, we have many resources available, such as great promotional materials; so just contact me if you’re looking for something in particular.

In addition, we now have our ALJC Ministerial application available in Spanish.

If you are ready to start a Hispanic Ministry, first contact your Pastor or District Superintendent. Once approved, please feel free to contact me for any assistance in getting started.

Rev M Moralez
414-915-1890
mmoralez1890@yahoo.com
1. Certainty of and Confidence in Your Ministry

If you and your family do not possess a certainty in the calling of God to plant a church, then please don’t! The physical and emotional stress, coupled with the spiritual stress, will be a heavy burden to bear if you are not certain of your calling. God's word is clear on this subject. 2 Peter 1:10, “give diligence to make your calling and election sure: for if ye do these things, ye shall never fall.” Your certainty of your calling will carry you and your family through the most lonely and difficult times of your tender church plant.

2. The Details Matter

There are practical things that must be done with diligence when it comes to a church plant. We've all heard the old but false statement “the devil is in the details”; well the opposite is true. God will bless and make fruitful your labor if you take diligence in the business end of your ministry. Here are a few “MUST HAVES”!
• **EIN number or Employer Identification Number**: This will help establish bank accounts and other important business matters for the church.

• **Incorporate your church**: This can be done online very inexpensively.

• **Bylaws**: In a legal matter your bylaws, or lack of them, will either be a benefit or a detriment to your case. CLA or Christian Law Association will provide free outlines for your bylaws.

• **Obtain tax exempt status**: The best way and probably the least amount of cost is to affiliate with the **Assemblies of The Lord Jesus Christ**. Your District officials can help in this matter.

3. Start A Church / Ministry Budget

Even starting as a (small) church, a good ministry budget will keep you on the right track as your church grows. This is a process that you as pastor and your trustees or governing board (advisers) along with your secretary, need to discuss and be on the same page. As a rule of thumb most churches operate on the 50% - 30% - 10% - 10% rule of budgeting. Once again, what works for you is what’s most important.

50% - salaries and administrative expenses
30% - building / rent payment / operational expenses
10% - missions / outreach - START EARLY SUPPORTING MISSIONS! God will bless.
10% - savings (good luck with this one)

4. Giving Your Ministry the Tools for Success

Here are a few suggestions on making important and lasting connections that will bless you and your family, as well as your church family.

• **Build a relationship with your District MA Director**: The District MA Director is your greatest ally. He, along with your passion and burden, will be responsible for helping you raise funds for you Missions America Church.

• **Communicate monthly with the AAC Director**: The AAC Director has been appointed by the MA Director. He is an available tool to help with knowledge, resources, and experience along the path of building a successful church. Call, text or email, at least on a monthly basis, with any questions concerning the MA process or encouragement.

• **Attend GMC, National Youth Convention and all District functions**: The national events are always inspiring and encouraging. At our national events, the MA Department will have times of training and fellowship. In these crucial years ahead of you, it’s always a sign of wisdom to come and learn from those who have walked in your steps and have come through successfully.

• **Develop a support structure for your wife and children**: The loneliest ministry is that of the pastor and wife. This can be for many reasons, such as; “You can’t share ministry problems with saints” or “I can’t have a best friend in the church.” My suggestion would be to connect with another pastor close to you and your wife’s age. Build a professional, and most importantly, true friendship. These will be wonderful people you can pray with, and gain strength and encouragement. Your children will also be blessed by the fellowship of other “Preachers Kids”. The Lord himself said “It’s not good for man to be alone.” Fellowship is an extremely valuable benefit to the Pastor and his family.
The ALJC Missions America Department is fully committed to the establishing of new churches in North America. It is a calling that comes from God Himself, that places that burden upon men and women to establish Apostolic churches across America. There is a great need, as we approach the second coming of Jesus Christ, to see many more Apostolic churches planted in America. There is an increased questioning for the need of a church, which has affected church attendance in America. But we believe this generation of Americans are looking for something real and genuine. They are seeking the authentic! In a biblical sense, they are looking for truth. Jesus said, “I am the Truth.” If you are reading this and feeling the call to become part of the AAC program, my prayer is that you respond to that call.

Missions America is dedicated to your training and that of your staff for the most effective ministry in your city. Missions America has a team that has a deep and rich knowledge in outreach, Church structure and successful church growth.

ADOPT-A-CITY (AAC)

The ALJC Missions America Department is fully committed to the establishing of new churches in North America. It is a calling that comes from God Himself, that places that burden upon men and women to establish Apostolic churches across America. There is a great need, as we approach the second coming of Jesus Christ, to see many more Apostolic churches planted in America. There is an increased questioning for the need of a church, which has affected church attendance in America. But we believe this generation of Americans are looking for something real and genuine. They are seeking the authentic! In a biblical sense, they are looking for truth. Jesus said, “I am the Truth.” If you are reading this and feeling the call to become part of the AAC program, my prayer is that you respond to that call.

Missions America is dedicated to your training and that of your staff for the most effective ministry in your city. Missions America has a team that has a deep and rich knowledge in outreach, Church structure and successful church growth.

Adopt-A-City (AAC) Process

Here is a step by step process to help you start your journey as an Adopt-A-City pastor. It is very important to follow these steps to help you and your MA District Director successfully integrate you and your church to become a Home Missionary.

1. **Your Calling:** With much prayer and council, you and your family will walk into this calling with your eyes wide open. If being a Missions America pastor isn’t a true God given calling you will be extremely discouraged.

2. **The Process:** Start the District process with your Superintendent and MA District Director. You cannot bypass this step in the process. If you are starting a church in another city than your home church, your pastor’s approval will be necessary as well.

3. **Affiliation:** Each Adopt-A-City church must have a business meeting and accept the rules of government as set forth by the AAC program. In this business meeting you will also affiliate with the Assemblies of The Lord Jesus Christ (ALJC). You will need your District Superintendent to oversee this business meeting. You cannot receive funds from the MA Department until you have affiliated with the ALJC. Each AAC church must accept the Constitution and bylaws of the Missions America Department.

4. **Employee Identification Number (EIN):** As an AAC Church, it is a requirement to obtain an EIN number. You cannot receive funds until an EIN has been obtained.

5. **Contact the AAC Director:** Another resource that is provided for the success of your AAC Church is the Adopt-A-City Director. This person is part of the MA team. The AAC Director is there to help in council and navigation through the AAC process. They are someone who can help when emergencies or difficult situations arise.

6. **The District MA Director:** It is vital that you have an open and clear communication channel with your District Director. Your District Director is your biggest cheerleader in your district. The director will be a vital partner in getting funding for your work.

Congratulations on your God given calling! It is the joy of the MA Department to work with you and your church to see a thriving successful Apostolic church established in your city. We are praying for and with you on this ministry endeavor. You are part of the greatest revival movement to see souls saved in this great nation. Let’s partner together to see your vision accomplished in your city.
It is our desire to reach every prisoner with the saving message of the Gospel of Jesus Christ.

**Purpose**

To evangelize prison and jail institutions throughout the 50 states of the United States of America.

We have had great success partnering with the Women’s Esprit and Menistry Departments going into prisons with the Princess Within and Men of Honor conferences.

The Prisoner’s Friend Ministries shall

1. Attempt to educate prisoners with the Apostolic message in jails and prisons throughout America. The most effective way to do this is through local churches holding regular services in the jail. MA-PFM can provide resources to assist in this effort. PFM advocates the use of the Life Catalyst material to aid in gaining
access to these ministry opportunities. The Life Catalyst materials assist offenders in development of life skills in addition to growing their relationship with Jesus Christ. The ability to offer these life skills materials make prison administrations more receptive to our request to hold services for their populations.

2. Distribute Gospel tracts and Bibles to any prisoner (jail or prison) that requests these materials. The most effective way to do this is through the local church prison ministry. MA-PFM can provide resources to assist in this effort.

3. Attempt to supply Gospel music media and Apostolic preaching media to prisoners and prisons that can receive them. This is something that has not been a focus but will be developed in the coming year. Volunteers are needed to assist in gathering and distributing these materials. There are 1,719 State prisons, 102 Federal prisons, 942 Juvenile facilities, 3,283 Local jails, 79 Indian county jails to which these materials need to be distributed.

4. Attempt to maintain personal contacts with prisoners via birthday and Christmas cards. This can be done through a certified pen pal program. This program does not currently exist on a national level. Volunteers are needed to assist in launching this effort.

5. Offer a complete Bible correspondence course to any prisoner that requests it. This offer shall be available for as long as a person is incarcerated. A Bible study correspondence program is available in both English and Spanish. The enrollment form to sign up is available to be printed from missionsamerica.aljc.org. We offer this at every PWC or MOH conference. Local prison meetings can also offer this to their populations.

6. We have established a national registry for all chaplains registered with the National Chaplain’s Program of the Assemblies of the Lord Jesus Christ. To become a certified chaplain volunteer, an application needs to be submitted. This application is available at missionsamerica.aljc.org. In addition to the application, a photo, (head and shoulders) in .jpg format, and the application fee should be sent to:

MA-PFM
59632 Timberwood Ln,
Goshen, IN 59632

WE NEED VOLUNTEERS!
Training and resources designed to give you that extra edge needed to get you to the next level in your ministry and in launching or growing your church!

These are monthly online training sessions via Zoom, typically on the 3rd Thursday of each month @ 9 PM. EST. Registration is free @ www.missionsamerica.aljc.org/resources

Session topics have ranged from discussions on leadership, branding and marketing your church, working with volunteers and growing your volunteer staff, church growth essentials, as well as several other topics.

These hour-long sessions are taught by experienced ministers and ministry leaders. The live sessions enable the participants to discuss these various topics as well as ask questions.

Registrants are notified of the upcoming session via the Missions America Facebook page and via email. The live Zoom link is emailed to you on the day of the session.

Past sessions are all archived on the Missions America website under the Resource tab; do check them out.

If you have a topic you would like to hear discussed, or would like some additional training in some area, or just have a question about IT MATTERS, please contact Art Schnitzer at artschnitzer@gmail.com

Join IT MATTERS live each month - It really will matter to your ministry!
Here’s How It Works

Every home missions work on the AAC Program will have a FUEL team join them for 3-4 days of outreach, extensive training, and organizing a special service for their entire community to attend. The focus is two-fold:

1. Loving on their community
2. Reaching lost souls with the gospel.

This event requires work, but it’s truly life changing.

We would love for you to consider being a part of the next FUEL stop at a Home Missions church near you. No matter your calling, gifting, or skill you will be a blessing!

Before Arrival the Host Church Needs

- Transportation to pick people up for Sunday Service. (Van, shuttle, or cars)
- One key transportation organizer phone number that can be printed on all door-hangers and flyers.

JOIN THE FUEL TEAM
• 2000-5000 door hangers ordered.
• 500-1000 flyers that have the same information as the door-hangers on them. You can purchase them at www.outreach.com or other church resource websites.
• The service is called BLESS THE COMMUNITY DAY as we will have FREE PRIZES.
• The service will be at the host church at 2pm on this SPECIAL DAY for the community.
• Prizes will include: 1 – child’s bike ($50), 10 - $10 gas/grocery gift cards, 4- $25 Walmart cards, 1- tablet (get it at Walmart, very affordable- $50-$75) and 1 - $50 Gift card to Walmart.
• Missions America will send you $1,000 before the event to offset your expenses.

Thursday Night at 7pm

• The Fuel Team will join the local church for a time of training and preparation for a wonderful Sunday service. Seminar style, in whatever layout the host pastor desires.
• The Fuel Team Captain will go over how to invite guests & how to properly hang door hangers.
• Also, there will be training on how to have a “Guest Friendly Service” that Sunday.

Friday at 11am

• All available volunteers will begin hanging door hangers. The goal is to find as many apartment complex’s as possible. In addition, low income areas, as they will appreciate the invitation.
• In addition to door hangers, we will have flyers and fruit snacks to hand out to anyone we see on the streets or in parking lots.

Friday at 6pm

• All available volunteers will begin hanging door hangers. The goal is to find as many apartment complex’s as possible. In addition, low income areas as they will appreciate the invitation.
• In addition to door hangers, we will have flyers and fruit snacks to hand out to anyone we see on the streets or in parking lots.

Saturday at 10:30am

• Prayer, then head out to finish passing out all door hangers and flyers. (Our goal is 5000)
• Break for Lunch
• Sometime in the afternoon, come back to the church and prepare for Sunday service.
• Develop a plan: Music team, pre-service atmosphere, greeters, children’s ministry helpers, ushers, service flow, registration team, and all the items that will be given away at the end of the service.
• Be sure you have baptismal tank, robes, towels, and again, all registration forms ready.
• Have whoever is driving the church van or other transportation to be ready. If their number is the contact on the door hangers and flyers, they must have a clipboard ready from Thursday-Sunday morning as people will call that need a ride. Organization will be key.

Sunday service at 2pm: BLESS THE COMMUNITY DAY

• Start on time with worship songs, then the pastor will preach to the lost. (15-20 minutes)
• The altar call will be given by the Fuel Team Captain.
• The Give-Aways will be led by the Fuel Team Captain with the Pastor and first lady handing out the gifts.
• Review the follow-up plan for the next week before we leave.

The Goal is to FUEL VICTORIES ACROSS AMERICA!

Questions or Concerns:

Fuel Team Director:
Nick DeCicco 574.315.1167
preachnit08@gmail.com
The Missions America Department is excited to share an amazing opportunity that we feel could change the landscape of our organization. This program is called The Plant Program and it is structured in such a way so as to provide a launching pad for couples who feel a call to plant a church. We have a tremendous responsibility to reach our country and we feel this could be a great starting point.

**Here is How it Works**

1. From National Youth Convention until Resurrection Sunday we will receive applications for this program. The application process is two parts, with the first part being a link located at missionsamerica.aljc.org and the second part you will receive after part one is complete. After Resurrection Sunday, the Missions America team will review, interview, and discuss which candidates we feel should be selected based on their submitted church plan, interview, and overall ministry.

2. The couple(s) that are selected for The Plant Program will be notified in May of each year and will be introduced at General Ministry Conference during the Missions America evening service.

**LET’S PLANT TOGETHER THIS YEAR!**
3. This program has a wonderful package to offer:
   a. It is 12 months in length and starts at GMC each year.
   b. Missions America will provide a matching incentive of up to $10,000 for each church planter selected.
   c. We will provide a marketing package for each church planter, which provides a website, social media presence, and create a church logo.
   d. We will provide $1,000 and a team to have a community outreach event.
   e. We will provide a monthly mentor and counselor for each church planter.
   f. We will work very hard on connecting the church planter to a local church in the district as a church sponsor.
   g. After 12 months, if the church needs additional financial assistance, they may apply for the Adopt-A-City program.

Again, this program is 12 months long and it is our hope to give an update at GMC each year of how the church planter(s) are doing and introduce the NEW church planters launching off for the next 12 months. We believe we can duplicate this process each year with your support, prayers, and willingness to be a part.

GET THE WORD OUT! The ALJC is looking for Apostolic couples who are excited, passionate, and prayerful about reaching the lost across America. We want to invest in these couples and see BRAND NEW WORKS established throughout our great country.

If you are interested in The Plant Program please notify me by emailing me at pastormattperdue@gmail.com or calling me at 765.524.5397. We will get you started very quickly on the application process.
ALJC ADOPT-A-CITY

CHURCHES

(AS OF MAY 2019)

1. Increase the Overall Giving By 10% Or More

There are many ways to raise funds and awareness for missions giving within your local church and State. Our goal is for each district, church and individual to increase their missions giving by 10% each year over the next 3 years. This starts, of course, by knowing how much you’ve been currently giving. If each district, church and individual would implement this plan, it would create tremendous momentum and resources for Missions America!

2. State-wide Missions America Rally Each Year

This rally, one time a year, has the potential to revolutionize each district. With a clear plan, great promoting, and enjoyable experience for those that attend, this service has the potential to provide massive exposure for home missions across America.

The goal would be to:

- Highlight all home missionaries on the ALJC AAC Program across America
- Prayerfully and strategically roll out a plan and share target cities in the respective district that need an ALJC Apostolic church.
- Raise funds and solicit teams to help Home Missionaries, both locally and regionally across the USA. The teams could sign-up according to their giftings and skills (with pastoral approval) to be a blessing and help to a Home Missionary that could use their gift or skill for a project, event, revival, or service.

3. State-wide Hispanic/Bilingual Conference Each Year

This conference will be an opportunity to highlight the fast-growing Hispanic community within each district/region as well as unite churches with wonderful fellowship. Making this conference a priority is important as it will allow:

- Spanish works to bring their assemblies together with others of like precious faith and be encouraged.
- It is a chance to befriend independent Apostolic churches within your district/region and forge relationships with them. Possibly at some point they too will join the ALJC fellowship.
- It is never a bad idea to incorporate an authentic Mexican food meal after a service as it gives everyone a chance to connect and build relationships.
- The fellowship, worship, preaching, and atmosphere will be a great blessing to your entire district.
- The Hispanic community is growing rapidly, so it is vital to the Kingdom of God that we have more Hispanic conferences, preaching points, and bilingual services to reach as many as we can with the Gospel.
While we can’t completely compare our callings to trades or operating a business, there are similarities we can observe. Adding continuing education and training to our experience can help us to become experts in whatever our calling happens to be. Successful businesspeople are seekers of knowledge. They recognize there’s always more to learn. Ministry and leaders should have this same understanding.

It is with this mindset that the Missions America Department introduced our new interactive learning experience called The Classroom in 2018. These summit meetings are a time of training and sharing of successful ideas by leaders who have been ministering, preaching, teaching, running departments, building churches, planting churches, and more, for many years.

We have been conducting these summits on a regional basis, and in 2019 we will begin presenting The Classroom at various camp meetings and conferences also. Our desire is to present these summits in as many formats as possible to reach as many pastors and leaders as we can with strategic training and resources.

We often come together and receive an overload of inspiration, whereas The Classroom is designed for education and information. Attendees will acquire resources, develop new ideas and be educated on up-to-date strategies for church growth. In addition, the format is such that discussions and questions on these various topics is encouraged.

Being a strategic thinker is a process that can be learned. Even Jesus followed a process in recruiting his leaders, training and developing them, then sending them out to spread the Gospel and plant churches and preaching/teaching points.

The Missions America Department believes all churches will benefit from The Classroom experience.

For any questions or information on The Classroom upcoming events, please contact Art Schnitzer at artschnitzer@gmail.com.
One is by your giving monetarily.

Why you should give

Missions America is a multi-faceted department. The money received will go to fund several vital components which are necessary for America’s harvest.

- Adopt-A-City churches
- Prisoner’s Friend Ministries
- Hispanic Ministry
- Church Growth

Within these four pillars are many facets of ministry. The Missions America Department is paving the way into new uncharted territories for the Assemblies of the Lord Jesus Christ.

- Walls of language are being knocked down through bilingual services and fellowship.
- Prisoners are receiving salvation information within the prison walls, with many converting because of it.
- Pastors across our fellowship are being taught effective church growth strategies for this end time harvest.

Your **GMC offerings** go to help our Adopt-A-City Pastors get their family to General Conference each year. While they’re there, they are refreshed with the Word and fellowship. The Missions America team will meet with them and share testimonies of what God is doing throughout our organization. Fresh vision is shared, and each pastor will leave renewed and confident that they’re a part of a united family.

How You Can Give!

- Monthly support online at missionsamerica.aljc.org (Give Tab)
- General Minister’s Conference offering
- National Adopt-A-City Day offering (2nd Sunday in September)
- District Missions America rallies
- Contribution forms are mailed every month.

Please make payment payable to:

Missions America
ALJC Headquarters
P.O. Box 22366

You Also Have an Opportunity to GO!

You can also support The Missions America Department by GOING! We are a department that believes the best approach to winning our cities begins with boots on the ground. You matter! Your efforts matter!

The Missions America Department is experiencing great revival through local block parties and weekend revivals. If you are interested in joining one of these teams, there are plenty of opportunities to get involved.
A Missions America Checklist

Do you love God?
Do you love people?
Do you feel a call of God to do something?
Would you love to be a part of America experiencing a great revival?

If you answered yes to any of these questions, we would love to have you join our team.

Please connect with us today!
